CARTE POSTALE. POSTKARTE.

(FOR ADDRESS ONLY.)

By Appointment.

Memphis is an ancient city which was formerly of great strategic and political importance. It is one of the oldest cities in the country, tradition ascribing its origin to Menes, the first historical ruler of Egypt. It contains many interesting ruins of temples and statuary, famous among which is the fallen statue of Rameses II (1321-1258 B.C.), a colossal granite model of the great monarch 25 feet in length.
